Hampton Housing Board of Appeals Chairperson. unanimously. Chairman Pohlman stated acknowledgement of Doug Tarr as Board Secretary as designated by Chief Administrative Officer Ron

Dunt on August 19, 2019.
Public Hearing: Chairman Pohlman opened the appeal hearing of Judy Mulford regarding a nuisance notice and order to demolish property located at 121 Central Avenue East, Hampton, Iowa at 5:34 p.m. Chairman Pohlman offered the ap-

pellant comments. Appearing for the appellant was attorney David David Skilton. Skilton inquired if the appeals board received his packet of submitted documents including his packet exhibits. He offered exhibits A-G

for the record. The board indicated they did receive the packet and exhibits. Skilton questioned the validity of Kristine Stone representing the city. He objected to Stone submitting a response to his brief after the deadline designated by the city. He objected to the appeal board's authority, powers and procedures. He questioned whether the board members had taken an oath, were covered by bonds, and the validity

of their appointments. He further explained the details set forth in the brief submitted to the board emphasizing that Mulford already went to court on this matter and she should not be tried again. He stated that the evidence is undisputed that the matter had been tried and dismissed. He requested the board dismiss the notice. He stated that his client has cooperated with the city and does not want the fight. Mulford doesn't want to spend any money and does not have money. A the conclusion of Skilton's presentation, Chairman Pohlman then gave opportunity for Kristine Stone to present on behalf of the city. Stone stated that the issue before

the board is whether the city appropriately issued a notice of violation at 121 Central Ave East issued on March 20, 2020. The notice was issued in response to an inspection completed on March 10, 2020. She

stated that the city's position is that any arguments brought forward of any actions taken by the city prior to March 10, 2020 are irrelevant to the appeal. She recognized that

she submitted a response to the defendant's hearing brief to the board after the deadline which is why she also submitted a request to admit the response. She requested that the response be received as part of the record. She requested that the board find that the notice complies with Section 107 of the International Property Maintenance Code (IPMC) and that the issuance of the notice

in the matter be upheld. She questioned Doug Tarr on his background and witnessing the inspection of the property on March 10, 2020. He stated the property had been vacant for months if not years and that he is the individual who issued the notice dated March 10, 2020. She had him review the issues which were specified in the notice and that the notice specified the structure be demolished or a timeline for repairs be submitted within 30 days. He stated that no work has been

completed on the property and the next step for the city would be to file some court action to have the property demolished at the owner's expense. He stated the city continues to receive citizen complaints on the condition of the property. Stone concluded. Skilton asked Tarr if he had posted a sign on the structure that the property was vacant or condemned. Tarr did not recall if it had been placarded in the past 2 years. Tarr couldn't recall. Skilton asked Tarr if the prior ticket issued specified demolition requirements. Tarr stated it did. Kristine Stone request-

ed a closing comment. Chairman

Pohlman allowed. Stone stated that the International Property Mainte-nance Code which the city has ad-

opted, outlined notice requirements

and tha the city's notice did comply with those requirements. The city asks the board to find that the notice complied with Section 107 of the IPMC and that the issuance is of the notice in the matter be upheld. Chairman Pohlman closed the public hearing at 5:59 p.m. Chairman Pohlman then offered opportunity for board discussion on the matter. Skilton asked Chairman Pohlman if he could speak.
