The resolution reads as follows **RESOLUTION #2021-31** AMENDING FRANKLIN COUNTY HANDBOOK SECTION 5.1 GROUP

MEDICAL INSURANCE WHEREAS, the updated Franklin County Employee Handbook final copy was presented and approved by the Board of Supervisors on August 19,

WHEREAS, the Board of Supervisors are amending Section 5.1 GROUP MEDICAL INSURANCE;

WHEREAS, as it was approved August 19, 2019 it read as follows: **GROUP MEDICAL INSURANCE 5.1**

In order to protect both employees and their families against the consequences of medical expenses caused by sickness or accidents, Franklin County provides eligible employees with the opportunity to participate in a ealth insurance program. The insurance program igibility will be subject to all terms and conditions of the contract with the insurance carrier selected by the County. Details of the plan, including benefit levels and covered expenses, are explained in the County's group health insurance plan booklet. Eligibility

Franklin County will offer each eligible employee health insurance coverage as required by law. Employees with family health coverage will pay a

portion of the cost of the dependent premium. Part-time employees working at least twenty (20) hours a week on a continuous basis are eligible to participate in the County's group medical insurance program with the employee paying a portion of the premium. Employees may authorize a payroll deduction for the employee's share

of the premium cost. Enrollment

Upon employment, an employee will receive an application form to complete and sign. This form tells the County whether or not the employee wishes to enroll himself/herself and eligible dependents in the Plan. If an employee does not elect plan coverage at time of employment, but wishes to enroll at a later date, coverage and eligibility will be subject to all terms and conditions of the contract with the insurance carrier selected by the County When Coverage Begins

Normally, because insurance premiums are paid on the first of the month, insurance coverage for an employee enrolling in the plan will be effective on the first of the month following the date of hire.

When Coverage Ends Insurance coverage will end on the last day of the month for which premiums have already been paid. Premiums are deducted from an employee's paycheck on the second pay period of the month, so if an employee will be paid wages on that pay period, the coverage will terminate on the last day of the following month. If an employee will not be paid wages for the

second pay period of the month, coverage will terminate on the last day of the month of termination. Please review Section 5.3 of this handbook for details about continuing health insurance benefits after termination of

WHEREAS, the Board of Supervisors has chosen to amend Section 5.1 to read as follows:

GROUP MEDICAL INSURANCE 5.1

In order to protect both employees and their families against the consequences of medical expenses caused by sickness or accidents, Franklin County provides eligible employees with the opportunity to participate in a group health insurance program. The insurance program, coverage and eligibility will be subject to all terms and conditions of the contract

with the insurance carrier selected by the County. Additional details of the plan, including benefit levels and covered expenses, can be found in the County's summary plan description.

All Franklin County employees scheduled to work at least twenty (20) hours per week or more are eligible to participate in the County's group medical insurance plan. Coverage is available to both employees and their eligible dependents as defined by the insurance plan.
Franklin County will pay the entire premium for single coverage on em-

ployees working full-time (30 hours or more per week) and a portion of the premiums for family coverage. Part-time employees working at least 20 hours per week but less than 30 hours per week will pay a portion of the premium for single coverage as well as family coverage.

Employee's share of the premium cost will be paid by payroll deductions. Any errors made relative to insurance premiums will be adjusted

accordingly either in the employee's favor (refunding premiums) or in the County's favor (deducting missed premiums). Repayment arrangements will be made between the affected employee and the Human Resources/ Payroll office on a case-by-case basis.

Enrollment Upon employment, an employee will receive an application form to complete and sign. This form tells the County whether the employee wishes to enroll himself/herself and eligible dependents in the Plan. Employees have up to sixty (60) days from their date of hire to elect coverage. If an

employee does not elect plan coverage at time of employment, but wishes to enroll later, coverage and eligibility will be subject to all terms and conditions of the contract with the insurance carrier selected by the Coun-

ty. When Coverage Begins

If the employee is a new hire, coverage becomes effective on the first day of the month following date of hire.

For current eligible employees that experience a qualifying life event, the effective date of coverage or change in coverage will depend on the date the life event occurred.

Eligible employees that did not enroll during their new hire period or special enrollment period following a qualifying life event but choose to do so during the County's annual open enrollment will see coverage become effective on the first day of the month of the new plan year.

Employees that were previously ineligible for coverage but move into an eligible position or status will be treated as a new hire with coverage beginning on the first day of the month following the effective date of the status change.

Once made, elections are fixed for the remainder of the plan year. Changes in coverage are only allowed during the County's annual open enrollment period, unless a qualifying life event has occurred or other-

wise required by law.

When Coverage Ends

Insurance coverage will end on the last day of the month for which the employee terminates employment for any reason. Please review Section 5.3 of this handbook for details about continuing health insurance benefits after termination of employment.
Please contact Human Resources within 30 days of an employment sta-

tus change or life event to determine if the event qualifies for a change in coverage. The Human Resources office is available to answer coverage questions, provide information on associated costs, and assist in enrollment as needed
