I wanted to write and thank you for all your help in my first home purchase. I really enjoyed working with you.  
**I enjoyed your low pressure sales approach.** I've dealt with salespeople that wouldn't leave you alone, I need time to make decisions on my own. You were always there though when I needed help on the things I didn't understand. Thanks for everything!  
Rob B.

My brother and I contacted Kathy of Abbott Realty when we made the decision to sell the acreage of our parent's farm. We couldn't have made a better choice. Because we both lived out of the area, we needed to have someone that we could trust to get us the best deal possible.  
**She did that and more.** We ran into some problems and she handled them quickly and professionally. I highly recommend Kathy to anyone who needs a competent Realtor who is willing to go above and beyond for her clients.  
Gov M.

Chuck just sold our house, got more than asking price. He went above and beyond, even doing some painting on the house when we ran out of time. Our seller's loan was long and complicated but he stuck with it and pushed to get everything through, fighting for every step.  
**I would recommend him to anyone to sell anything!**  
Andrew Y.

My family worked with Kathy & Chuck early this year to sell my Dad's house. We listed the house in December, not the best time of year in Iowa to list a home. However, by the end of March we had an offer and by the end of May all was done.  
**They took care of everything!** Being the executor of my Dad's estate there was a lot of paperwork to complete. Kathy made it so easy by coming to my office for my convenience. I would definitely use Abbott Realty for future real estate business.  
Carol R.

**"Going out on a high note"**  
Franklin Chorale founder Semler to step down as director, honored with FCAC Merit Award

BY GREG FORBES  
Franklin Chorale founder Mary Lou Semler announced last week she will step down as director of the choir but the end of her tenure with the group landed on the perfect note. Following the Chorale's annual Christmas Concert, the Franklin County Arts Council (FCAC) Board honored Semler with the inaugural Merit Award. Semler, who founded the Chorale in 1979 and served as its director for a total of 23 years, said she couldn't imagine a better way to go out on a high note.

"I love that Christmas concert," she said. "It was a great concert this year and it just felt like I was going out on a high note."

Council board member Leon Kuehner, who was also a member of the first chorale, said he and FCAC leadership developed the award to thank Semler for her vision in bringing the chorale to Franklin County and her dedication with the group since its founding.

"We couldn't think of a better recipient," he said, adding that the Christmas concert was an appropriate time to present her with the honor. "She's been there since the very beginning."

**MERRY CHRISTMAS TO ALL**

Operation Santa 2018 brings Christmas joy to more than 200 local children

BY GREG FORBES  
More than 200 area children's Christmas wishes were made a little brighter last week. Last Tuesday marked the annual distribution of toys collected through the Hampton Rotary Club's Operation Santa. For nearly a month, community members donated new toys and cash for the cause. The effort resulted in hundreds of toys, which were then given to 67 families, or a total of 204 kids.

"I am just amazed, not only at the number of families we helped, but the amount of people that donated," said Rotary President Becky Bradburn.

Families in need signed up for the chance to have a wish list, which were given away at the Youth For Christ center. Volunteers saved toys for those who had registered but weren't able to make it to Tuesday's distribution and those toys were given to them at a later date.

See OPERATION SANTA: Page 2

**CAL, Cub Cadet reach sharing agreement**

Cub Cadet will use portion of CAL building to expand services

BY GREG FORBES  
The CAL Board of Education and Cub Cadet of Decatur are ready to move forward with an agreement that would bring part of the daycare's services to the school.

The two groups earlier this month formed a plan that would allow the daycare to utilize empty space in the school. Robyn Kofow, with Cub Cadet, said they would likely put older children and the after-school programs in an available room in the lower elementary wing. The youngest children would stay in the daycare building.

See CUB CADET: Page 7

**RANKING RESULTS**

**NEW STATE REPORT REFLECTS IMPROVEMENT NEED IN ONE H-D SCHOOL**

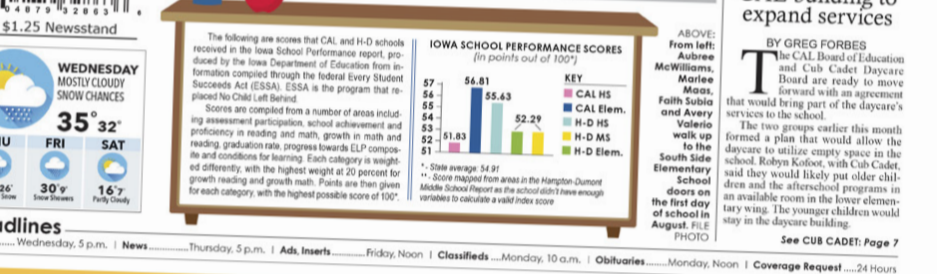

BY GREG FORBES  
Local school districts last week received insight into how their individual schools performed last year. The Iowa Department of Education released the Iowa School Performance Profiles, which measures school districts on a number of categories, including student performance and participation in standardized tests, growth in math and reading proficiency, conditions of learning and English language learning.

The rankings meet the requirements of the Every Student Succeeds Act, the federal program that has replaced No Child Left Behind.

The report classifies schools in three categories: No Designation, Targeted and Comprehensive. Schools with "No Designation" are not in need of improvement.

Our improvement plan is going to be so easy to write because we're already doing it. —Jan Kriener, Curriculum Director
